Sir,

With the reference to the above subject, provision of block working embedded in EI system in Kiul-Gaya section was discussed with Sr. DSTE/DNR and it has been agreed upon that embedded block working may be provided in Paimar-Karjara-Wazirganj section instead of WRS-NWD-TIA section as there are ongoing IBH works in WRS-NWD-TIA section.

Hence, it is now planned to provide embedded block working Paimar-Karjara-Wazirganj section as alteration in existing EI at these station.

Thanking you and assuring you our best services.

Yours faithfully,
For & on behalf of
IRCON International Ltd.
