No. ECR/S&T/MISC (Computer No.279039)

Date:20/03/2025.

Sr.DSTEs,  
DHN/DNR/DDU/SEE & SPJ,  
East Central Railway.

**Sub:- Regarding changes in Datalogger networking.**

A system of daily backup of Datalogger data has been setup in ECR. The daily data captured by Datalogger is being backed up in JSON format in the HQ every day. The permanent ELD alarm is also being analyzed daily in the HQ.

Of late, it has been seen that Datalogger networking arrangement has been modified in SEE, DNR and DHN divisions. Because of this, the backup software missed a few backups.

Divisions are advised that such structural changes in the database of RDPMS may only be effected in consultation with HQ so that the backup system can also be updated accordingly.

Please acknowledge and ensure compliance.
