Sub: Regarding Schedule maintenance of power supply system.

A few failures of power system has been reported lately wherein sparking, disconnection & burning of battery terminals was reported. Appendix-I of IRSEM 2021 Para IPS3 (5) provides for checking of temperature of terminals and modules by using temperature gun.

All divisions are advised to equip the SSE (Signal)/Incharge with a temperature gun and ensure compliance of the above mentioned Para of the IRSEM.

Please ensure compliance.
