2. A question has been raised as to whether the last 10 years qualifying service has to be in the present specified safety category OR can be combined service rendered in the present category as well as another specified safety category/categories under LARSGESS.
3. The matter has been examined by the Board and it is clarified that the employee should have completed the last 10 years of qualifying service in one or more than one specified categories which are covered under LARSGESS.
