Sub: M.Tech. Programme in Railway Engineering at Indian Institute of Technology, Kharagpur.

In compliance of the Budget announcement by Hon'ble Minister for Railways for the year 2013-14, it has been decided to start an M.Tech. Programme in Railway Engineering at Indian Institute of Technology, Kharagpur from the academic year 2015-16. The course is open to Indian Railways personnel from the areas of Civil, Mechanical and Electrical Engineering. The course is of two years duration and is residential.

2. The Ministry of Railways has decided to sponsor twenty candidates (Railway personnel, including those on deputation to PSUs) for the course. For the candidates from PSUs other than those on deputation from Indian Railways, PSUs would have to bear their expenditure to be incurred for the course.

3. The detailed eligibility conditions for application for the programme, application procedure, important dates of the process of selection and proforma for application are in the annexure to this letter.

4. You are requested to give wide publicity to this programme and encourage personnel and staff to apply for the course. Completed applications should reach this office, through proper channel, by 1st June 2015.
