Sub.: Recovery/collection of membership fee for bodies recognised by Railway from
the monthly salary bills of staff concerned.

Railways have been receiving requests from certain bodies recognized by Railways, to
permit contribution to such bodies by Railway employees by way of deduction from their
monthly salary and crediting such amounts to respective bodies. Matter has been carefully
considered. Following guide lines are issued:-

(a) Such deductions and follow up exercise to credit the same to respective bodies,
involve certain logistics which the Zonal Railways/PU administration, etc. will have
to examine for practicality. List of employees from whom such deductions have been
made, may also need to be printed to facilitate accountal. Therefore, on receipt of
requests from such recognized bodies and depending upon
need/practicality/feasibility, GM of Zonal Railways/PU etc. can consider and permit
such deductions from monthly salary.

(b) These deductions shall, however, be purely at the option of the railway employee for
which each individual employee will have to give an option in writing duly indicating
therein, the amount to be deducted and the body to whom this amount is to be
credited. Such deduction shall stop, as soon as the option is withdrawn by the
employee. Zonal Railways may devise a format for exercise of such an option by
their employees.

- 2 -
- (c) Deduction of such amounts, however, shall not confer any authority/recognition of the Railway employee's membership of such bodies. All such bodies will have to maintain their own records for such memberships which may be needed by them for various purposes e.g. their internal election etc.
 - (d) The request of the employee for recovery of membership requires to be recommended by the authorised office bearer(s) of AISCSTREA and AIOBCREA taken affiliation to CEC/AIOBCREF of the respective body at ZEC/Zonal/Divisional/Workshop/Branch level as the case may be.

The above may please be brought to the notice of all concerned for taking necessary action.
