Sub:- Transparency in payment of wages etc to contract labour engaged by
Railways contractors—Use of Shramik Kalyan Portal

Ref:- (i) Rly Bd's letter no. 2018/CE-I/CT/4 dt 26.11.2018.

(ii) Rly Bd's letter no. 2018/E(LL)/AT/CNR/3 dt 24.01.2018.

Contract labour are engaged by various departments of Zonal Railways & so it is incumbent on the PHODs to put in a place a robust mechanism so that no violation of labour laws takes place in their respective departments.

In light of Railway Board's letter cited under reference (copy enclosed), the following instructions are issued regarding transparency in payment of wages etc to contract labour engaged by Railways contractors—Use of Shramik Kalyan Portal.

1. As per Board's instructions, contractors having valid LOA, have to register themselves on the portal (<http://www.shramikkalyan.indianrailways.gov.in/clip.jsp>) through "Contractor Registration" link. Zonal HQ (Chief Planning & Design Engineer) has to create administrators (User IDs and passwords) for all Divisions/Units with all requisite functional authority, who will in-turn nominate concerned Branch Officer to monitor the entries being made on the portal by the contractors. For better Management Information System (MIS) reports, uniformity in creating users ID may be maintained like first few alphabets of their designation in short followed by symbolic name of zone/division/workshop. These administrators for various departments can create further user like Engineer/ Manager and allow them desired authorities so as to access the application either for updating the data or getting proper report from it.
2. Contractors will upload details of all works being executed by them on the portal, which will be monitored by concerned departmental head.
3. Tasks to be done on the portal by concerned departments:
 - Contractor verification
 - Verified contractor management
 - LOA verification
 - Engaged Workman List

4. LoA (Letter of Acceptance) issuing authority shall approve the LoA details submitted by contractor. Contractors can upload the labourer's data like name, identity date of engagement, payment date, mode of payment etc. for the labourers engaged in that contract only after approval of LoA details by LoA issuing authority. Following will be the work flow to be followed:

Zonal HQ (creation of Division/unit ID & Password and monitoring by CPDE)

ADRM/CWM(creation of local ID & Password) at Divisional level

Concerned Branch Officer (Contract awarding)

5. ADRMs will also monitor uploading & verification of data in Divisions.

This issues with approval of AGM.

No. 2018/CE-I/CT/4

New Delhi, Dated 26.11.2018

The General Manager
All Zonal Railways &
Production Units

30 NOV 2018

Sub: Transparency in payment of wages etc to contract labour engaged by Railway contractors – Use of Shramikkalyan Portal

Ref: (i) RB's letter No. 2018/CE-I/CT/4, dated 06.08.2018
(ii) RB's letter No. 2018/CE-I/CT/4, dated 17.10.2018

Railway Board vide letter under reference (ii) has issued a 'special condition of contract' to ensure payment of wages etc to labour engaged by Railway contractor, where in it has been mentioned to update the newly launched Railway's portal namely www.shramikkalyan.indianrailways.gov.in, as per revised contract condition. The brief guide to access the portal as communicated vide letter no. 2018//CE-I/CT/4, dated 06.08.2018 is enclosed as Annexure-'A'. Detailed user manual for Railway User/ Contractor is also available on help link of home page of portal.

The portal has been launched to ensure transparency in engagement of contract labour and their wage payment. **The implementation of same is being monitored at apex level.**

3. However, by perusal of the portal, it is observed that many of the railways/PUs are yet to create users as per various contracting authorities on their railways and approve existing contractor on the portal. The current status of utilization of portal by Zonal railways/PU is enclosed as Annexure - 'B'. This delay in creation of user & contractor registration may lead to non-implementation of transparency in wage payments of contractors and thus shall violate the contract conditions apart from delay in payment of bills.

4. In view of above, Railways/PUs are requested to expedite utilization of shramikkalyan portal by creating users/registering contractors as per requirements and updating of contractor wages with immediate effect.

5. This may please be treated as "Most Urgent".

Encl: As above.

Annexure-ABrief Guideline to Use e-application "Contract Labourer Payment Management Portal (CLPMP)"

The User's credential shall be used by Chief Planning and Design Engineers (or as decided by GMs) of the Zonal Railway/ Production Units to create administrators of various department/divisions/workshops etc. with all requisite functional authority. For better MIS reports, uniformity in creating users ID may be maintained like first few alphabets of their designation in short followed by symbolic name of zone/ division/ workshop i.e.

→ CWM, Mughalsarai of ECR may be named as CWMMGSECR
 → Sr.DME of Delhi Division can be named as SRDMEDLI

These administrators for various departments can create further user like Engineer/Manager and allow them desired authorities so as to access the application either for updating the data or getting proper report from it.

Contractors having valid LoA (Letter of Acceptance) can register themselves with their firm details including PAN No., (which will be their user ID) through "Contractor Registration" link. However they can log into the system using this PAN and given password once their registration request is approved by the LoA issuing authority. Contractors can login and update with additional LoA(s) in their favour duly indicating the LoA issuing authority from dropdown boxes, to approve the same.

LoA issuing authority shall approve the LoA details submitted by contractor. Contractor(s) can upload the labourer's data like name, identity date of engagement, payment date, mode of payment etc. for the labourers engaged in that contract only after approval of LoA details by LoA issuing authority.
