Ref : Dir.TC (Rates)/RB letter no –TC-I/2019/201/2 dtd 25.04.2020

The relaxation regarding DC/WC under invocation of force majeure clause has been implemented by Railway Board vide above referred instruction. In cases where undue delay in loading or unloading at particular Goods shed is causing interruption in further loading and movement, then Zonal Railway administration has been empowered to take decision otherwise.

It is being noticed that the inward Cement merchants are using Railway wagons as storage house free of cost and hence force majeure clause is being misutilizing intentionally and detaining the rake.

In this situation ECR has lifted the force majeure clause on inward cement rake with the approval of competent authority with immediate effect.

All concerned are hereby advised to implement the said instruction keeping in view of direction given in the above referred Rly Bd instruction and ensure early release of inward cement rakes.
