Sub : Extension of timelines for completion of pending APAR for the year 2023-2024.

In order to ensure timely completion of APARs digitization of APARs through HRMS was introduced in the year 2020-21 and thereafter for the years 2021-22, 2022-23 APARs were processed through HRMS only and the system physical APARs has been completely discarded.

2. In order to ensure completion of 100% of APARs timelines for completion of various stages were extended several times, every year. However, despite extension of the timelines several times, it has been observed that the APARs continuous to pending at various stages.

3. For the year 2023-24, timelines has been extended several times and the entire process was supposed to be completed by 31st January, 2025. However, it has been observed that still around 8500 APARs are pending for finalization, even after several extensions. This shows negligence and apathy by the concerned officials in timely completion of the APARs. In order to avoid inconvenience to the employees the timelines has again been extended to 15th March, 2025 for completion of the process.

4. Therefore, it is requested that the process of completion of APARs may please be monitored and all out efforts be taken to complete the pending APARs. If the APARs are still pending after 15th March, 2025, the reasons for the same may be reviewed and responsibility may be fixed for the concerned official for found negligent in completing the APARs.
