No. ECR/Vg/Lev. Tech/02

Dated: 19.11.2025

**Divisional Railway Manager,
East Central Railway,
SEE, SPJ, DNR, DHN & DDU.**

Sub: Uploading of details of awarded tenders on ECR portal – reg.

Ref: This office letter of even no. dated 12.10.2020.

It has come to the notice of the undersigned that the tenders awarded by various divisions of East Central Railway are not being uploaded on the ECR portal. Non-uploading of awarded tender details on the portal hampers transparency and makes it difficult for the investigating agencies to monitor and prevent possible irregularities. East Central Railway is expected to function in a transparent and cohesive manner, ensuring that all mandatory information is readily accessible.

In view of the above, it is requested to arrange for uploading the updated status of all tenders awarded (up to 31st October, 2025) within next 15 days by the concerned departments—such as Engineering, Mechanical, Electrical, Signal & Telecom, etc.—of your division. This will facilitate effective monitoring by the investigating agency and help prevent any potential acts of corruption.

This may be treated as urgent.
