Sub: Creation of a new purchase section P-10

For better management of C&W items, it has been decided that a new purchase section P-10 shall be created and the existing P-04 section shall be bifurcated into two parts: P-04 and P-10. The distribution of items between the sections shall be as under:

Section	Portion	PL Groups
P-04	Carriage portion	30, 33, 34
P-10	Wagon and EMU portion	31, 32, 35, 36, 37, 38, 39

Wagon and EMU items for which tenders have already been published or under process shall remain in P-04 section till their tenders are finalized. Once the tenders are finalized, those items shall also be transferred to P-10 section. Existing contracts of Wagon and EMU items have been issued from P-04 section and hence, officers and staff of P-10 section shall also have access to P-04 section in IMMIS/IREPS for management of these existing contracts (i.e. issue of amendment/cancellation advice etc.)

This is issued with the approval of PCMM/ECR/HJP.
