S&T Policy No. 11/2025

Sub: Policy for Replacement of various parts of Electrical Lifting barrier Gates.

This Railway experienced several failures of Electrical Lifting barrier gates which causes detention and punctuality loss of trains. Basically, such incidents occur due to wear & tear of parts and as well as quality of parts.

In view of above, a policy for replacements schedule of above listed parts of ELB is fixed as under-

Item No.	Item Description	Periodicity of Replacement
1	Limit Switch	1 Year
2	Timing Belt	1 Year
3	Motor Condenser	3 Years
4	Belt	1 Years

This has approval of PCSTE.
