Clearance by the State Police in case of Rly Accident GOVERNMENT OF INDIA MINISTRY OFRAILWAYS (RAILWAY BOARD)

No. 2002/Sec.(Cr.)/45/47 New Delhi, Dated 11.12.2002

To

The Home Secretary,

Govt. of India, Ministry of Home Affairs,North Block, New Delhi.

Sub: Expeditious clearance by the state police in a case of Railway accident.Sir,

Your kind attention is invited to the subject mentioned above. In a case of rail accident involving loss of human lives or injuries to the passengers, railway administration does everything possible to render necessary assistance and succour to them. Efforts are made to rush rescue and medical apparatus to the site of accident without losing any time as the first few hours are very crucial.

But it has been noticed that rescue operations are hampered due to delayed, and at times, reluctant clearance by the state police. This was evident in the recent Rajdhani Express in Bihar when it took them unduly long time to complete the formalities.

It may be pertinent to mention that there are two different tasks to be tackled on war footing, namely (a) Rescue and (b) Restoration

(a) As regards rescue operations, they cannot obviously wait till legal formalities are completed as they involve saving human lives. But it appears that there is some confusion regarding the urgency of undertaking rescue operations. I would request you to reiterate instructions to the state Govt. on this point so that there is no delay in starting rescue operation.
Needless to mention that the State Govts should also extend maximum cooperation in handling the situation. Besides providing medical aid, other facilities, which may be necessitated by circumstances at the site of the accident, may also be extended by them expeditiously.

(b) As regards restoration of railway traffic, rule- provide that this can be taken up only after the clearance by the local police or GRP. In this regard it would be relevant to point out that a large number of passengers are unduly inconvenienced by disruption of rail traffic.
It would, therefore, be in the best interest of the passengers to restore the rail traffic as fast as possible. But, it has been noticed that the local police take a long time in giving the required clearance, consequently delaying the restoration operations.

I would, therefore, request you to issue necessary instructions to the State Govts. To expedite clearance certificate in the event of a rail accident, so that normal traffic can be restored without avoidable delay.

Yours faithfully

Sd/ (Dr. A.K. Pandey)

GOVERNMENT OF INDIA MINISTRY OF RAILWAYS (RAILWAY BOARD)

Rail Bhavan, New Delhi- 110001,

No. 2002/Sec./(Cr.)/45/47 Dated March, 27,2003

The General Managers

Sub: Clearance by State Police in case of railway accidents due to suspected Sabotage.
Ref: Ministry of Home Affairs' letter No. VI-24022/11/2002-PM-1 dt. 24.12.2002 addressed toHome Secretaries of all States (copy enclosed).

The issue of expeditious clearance by the State Police in case of Railway accidents, where sabotage is suspected, has been engaging Ministry of Railways (Railway Board)'s attention for a long time. It is noticed that sometimes rescue operations are hampered due to delayed and reluctant clearance by the State Police.

2. It is pertinent to mention that there are two different tasks to be accomplished on war footing after a railway accident involving human lives is concerned i.e. a) Quick Rescue operation; and b) Restoration of Rail Traffic. It is clarified that in case of railway accidents, permissionof the State Government or clearance of the police is not required for launching rescue operations for the purpose of saving human lives which inter alia may also involve handling/shifting the rolling stock (locomotives, wagons and coaches) for extricating the trapped passengers. However, police clearance is required for restoration works at the site of accident, if sabotage is suspected.

3. To avoid any delay in launching the rescue operations for saving as many human lives as possible and for early restoration of rail traffic, the above issue has been taken up with the Ministry of Home Affairs. Consequently, Ministry of Home Affairs vide their letter ibid have directed the Home Secretaries of all States to issue suitable instructions to the concerned authorities for taking prompt action and to expedite clearance certificate in the event of a rail accident, when sabotage is suspected.
4. The contents of this letter may be widely published among the railway officers/staff and displayed in all ARTs/ARMEs so that a general awareness created amongst all those engaged in rescue activities.
5. This letter supersedes the Railway Board's letter of even number dt. 7.2.2003.

GOVERNMENT OF INDIA (BHARAT SARKAR) MINISTRY OF RAILWAYS (RAIL MANTRALAYA)(RAILWAY BOARD)

No. 2002/Safety-1/6/6 New Delhi, dt. 13.06.2004

General Manager, All Indian Railways.

Sub: Empowering Zonal Railways to requisition, helicopter/ aero plane at the time of severe accident.
Ref: Board's letter No. 86/Safety-1/24/47 dt. 13.03.87 & 19.07.89.

Zonal Railways have been delegated powers to requisition helicopter/aero plane for expeditious action in the event of serious accidents vide Railway Board's letter under reference. The subject matter has been reviewed by the Board and the following revised powers are delegated to the Zonal Railways.

(i) GMs/DRMs have been delegated the powers to rescue helicopter/aeroplane to reach the site of serious accident for rescue operation expeditiously. In addition, powers are also delegated to requisition air support to dispatch the rescue teams to the site of the accident. It is difficult to stipulate exactly the circumstances under which they may exercise these powers, it has been decided to leave this to the discretion of GMs/DRMs. However, broadly these may cover the following type of cases:

(a) Where more than 10 casualties (deaths-cum-serious injuries) are feared and it is difficult forthese officers to reach the site within reasonable time;

(b) Where heavy damage is caused to railway installations in sensitive and tension filled areas(e.g. wreckage of track, bridges, etc. through bomb blast, other means of sabotage, etc.);

(c) Where public reaction in case of late arrival of senior officers at site is likely to be highlyadverse.

Normally, in case of an accident only one helicopter should be requisitioned by a Zonal Railway, except when there is a serious passenger train accident involving several casualties when it is essential for both the General Manager and the Divisional Railway Manager to reach the site at once to satisfy the public and the Press. However, for dispatching the rescue teams to the site of the accident, separate helicopter/ aeroplane may be requisitioned, if so needed.

The GMs/DRMs may exercise the above powers personally and may not be delegate these powers.

(i) Zonal Railways are further empowered to requisition helicopter/aeroplane to evacuate injured and dead in the event of serious accident. GMs may personally exercise these powers and may not delegate these further.

The above instructions on the subject supersede all the previous instructions issued vide above referred letters. This issues with the concurrence of the Finance Directorate of the Ministry of Railways.

Sub: Requisitioning of Indian Air Force Aircrafts/Helicopter by Zonal Railways in case of serious Railways accidents/natural calamities. Doubts have been raised from time to time by the Zonal Railways regardingstanding instructions on the above matter.

The extracts of Air Force instructions no. 9/83 regarding Regulations covering Flights and Airlifts in IAF Aircraft within Indian Territory is reproduced as under: Para 9 (a): The use of IAF aircraft for civil agencies may be authorized by the Chief of the Air Staff on payment at rates which will be fixed by the Ministry of Finance (Defence). Such Flights may be provided on written demand for work like aerial photography, survey and other purposes, survey of air routes, carriage of mail, drop of supplies, carriage of urgently required stores, leaflet droppings, relief and reconnaissance flights, carriages of para military police forces etc. " **Such flights as errand of mercy, on payment at chartered rate without detriment to Defence requirements, may also be provided for evacuation of seriously sick or injured civilians from inaccessible areas at the written request of the State Governments, Union Territory Admn. And other Central Ministries/Departments, as a life saving measures on an undertaking by such authorities that it is neitherfeasible by them nor any other means of civil air/surface transport is available for such evacuation and the evacuation by the IAF will be at their risk and cost''.** The Ministry of Defence may sanction, on payment, urgent movement of civilian Govt. servants and stores and equipment in IAF aircraft for various Ministries of the Central Government and for the

State Government provided aircraft are available without prejudice to service requirements.

Para 9 (d): Station Commanders of and above the rank of Wing Commander may

authorize special flights of aircraft under their control to meet written request from Central Ministries/Departments/State Govts./Administration of Union Territories for assistance in any grave emergency or natural catastrophe. They will immediately advise concerned Command Headquarters. Such flights are to be regularized under the authority of the AOs -in-C Command/Group in due course.

Attention is also invited to Railway Board letter of even number dated 13/15.06.2004 vide which GMs/DRMs have been delegated powers to requisition helicopter/aeroplane even from private parties(copy enclosed) to reach the site of serious accident for rescue operation expeditiously and to dispatch the rescue teams to the site of accidents.

Zonal Railways may take note of the above standing instructions and establish coordination with the appropriate Air Force authorities. Please acknowledge receipt.
