No. ECR/Vig/System improvement/50

Dated:- 13.08.13

**Principal Chief Engineer
East Central Railway.
Hajipur**

Sub: - Provision of all required items of work in a tender schedule.

During the course of investigation of a complaint case regarding fencing of Level crossing gates on open line Division, it is observed that in the work of fencing of LCs, transportation of rails for various locations was required but no item of transportation was included in the tender schedule and the work was closed without erecting horizontal rail fencing. There is no use of fencing of LCs with only vertical post & without erection of horizontal member/rail.

Suitable instruction may kindly be issued to field units regarding incorporation of all items in the tender schedule.

A copy of instruction issued may be sent to this office for information and record.
