Railway Board's letter ibid had brought out the date of implementation of revised model of EBR-IF Contract is 1.5.2020. Subsequently, Board vide letter No. even dated 20<sup>th</sup> April, 2020 (RBA No. 41/2020) had brought out a detailed Accounting procedure. Some of the Zonal Railways have already started the process of finalization of Novation agreement to facilitate processing of the EBR-IF funded contract's payment. GM/Finance/IRFC has been nominated as the authorized signatory for signing the Novation Agreement on behalf of IRFC. IRFC has agreed that a PDF format of the Novation Agreement duly signed by IR and Vendor may be scanned and sent to them by email in the authorized email ID (enclosed) of the concerned State. On receipt of this PDF file, IRFC shall communicate their approval for the Novation Agreement. Formal signature of the Novation Agreement by IRFC may be completed as and when the Lockdown is lifted. This will facilitate processing of EBR-IF funded payment to IRFC against the bills raised by vendor as per the Novation Agreement and will ensure Board's order for compliance with respect to implementation of revised Model of EBR-IF funded contracts w.e.f. 01.05.2020. However, it may kindly be ensured that PDF file for each Novation Agreement is sent in the email, instead of single bulk file for various contracts.

This issues with the approval of competent authority.
