JOINT PROCEDURE ORDER

Sub : Procurement through Spot Purchase.

(Ref. : Rly Bd's letter no. : 2002/RS(G)/779/12 dated : 14.12.2011).

- 1.0 There are occasions to purchase materials on the spot without following the formal tendering system but by calling offers through physical visit of the premises of the firm by the nominated officers. This mode of purchase is commonly known as 'Spot Purchase'.
- 2.0 Keeping the instruction contained in Rly Bd's letter no.2002/RS(G)779/12 dated : 14.12.2011 in view, the following instructions/guidelines are issued in supersession of all earlier orders issued on this subject.
- 3.0 **Conditions for resorting to Spot Purchase :**
- 3.1 The concept of Spot Purchase, for the purpose of purchase, will be followed in very exceptional circumstances and should be supported by proper justification. Invariably the need to resort to spot purchase shall fulfill conditions as laid down under para (a) or (b) below :

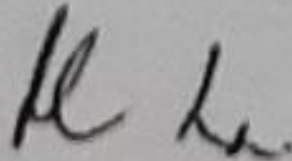

**(a) Stock item :**

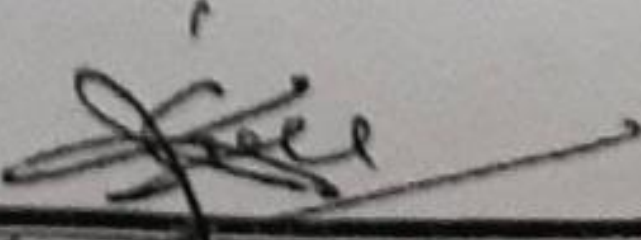

The stock item should be purchased only when the material is out of stock which is affecting train operations/earning of railways and supply against the existing covered dues if any, is likely to take more time and requirement is very urgent which cannot wait for the supplies to be received against the pending orders.

**"The certificate to this effect to be recorded by at least the concerned SAG officer of the concerned user department."**

**(b) Non-stock item :**

- (i) For purchase of non-stock items where demand could not be foreseen in advance and material is required urgently for safe operation and where cash purchase powers are considered inadequate and emergency purchase through formal invitation of tenders etc., is likely to take considerable time.

- (ii) For purchasing of non-stock items which are required occasionally and making the detailed specification for the same is not considered practicable/economical or items of consumable nature where the quality available in the market is rapidly changing hence, it is not possible to finalize the specification and materials can be obtained by personal examination of feel, finish and appearance etc., like furniture, cutleries, linens, carpets and other furnishing items etc.

3.2 However, Spot purchase shall not be resorted to, for purchasing such items which have got detailed specifications and drawings and are required to be purchased only from approved sources.

3.3 This administrative arrangement may be exercised under inescapable circumstances duly recording reasons at the level of DRM/PHOD/AGM.

#### 4.0 Procedure for Spot Purchase :

4.1 Since Spot Purchase is one of the modes of purchase, therefore, there should be a proper requisition for non-stock and SRS/SPS/Red Slip etc items and Emergency Recoupment Memo (ERM)/Red Slip for stock items. The quantity is to be restricted to bare minimum. For stock items, demand may not exceed three months requirement and the same to be adjusted against the immediate ensuing demand.

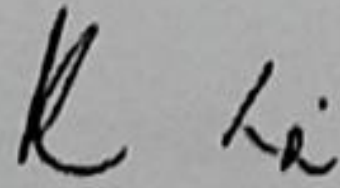

4.2 The proposal for Spot Purchase of 'Non-stock' items shall be submitted for the specific approvals of the authorities detailed in para 5.0 below, by the concerned consuming department after obtaining the concurrence of Associate finance.
