All Zonal Railways/ PUs**

Sub: Recovery of outstanding amounts towards risk purchases, rejection of materials and non- supply of materials etc.

Vigilance Dte of Railway Board has brought to the notice that huge amounts are outstanding against defaulting suppliers, due to non- recovery of Railway dues on account of risk purchase, rejection of materials and Non- supply of materials (where advance payment have been made on proof of dispatch) etc. .

It is therefore, desired that the position on your Railway may be reviewed to list out cases of outstanding recoveries and a monitoring mechanism may be devised to ensure that the entire amount due is recovered at the earliest.
