CONTAINER RAIL TERMINAL (CRT)

- Any existing good shed can be declared as CRT by railway based on demand and handling capacity of good shed. Normally, good shed dealing 12 rakes per month can easily be declared as CRT subject to facility available for handling containers.
- CRTs are classified into three types of CRT based on no. of rake handled at good shed (I,II and III).
- Terminal Management Company (TMC) has to pay terminal access charges for use of terminal. At present, terminal access charge (TAC) is Rs.1,60,000/- per rake per terminal.
- A discount of 50% has been granted in case of TAC at Group-III CRT.
- A discount of 25% has been granted in case of Haulage charge rate per TEU for movement of empty containers and empty flat wagons.
- A discount of 5% has been granted in case of haulage charge of loaded containers
- A concession of 20% in case of CR Coils (Cold Rolled Coils) loading in containers (i.e. GTR minus-20%).
- A concession of 15% on applicable class rate (Container Class Rate- CCR) in case of Chemical Gypsum in containers.
- No stabling Charge will be levied in case of container traffic till 31.10.2020.
