Store Instruction No.-108

To  
All Purchase Officers/HQ/Divisions/Depots  
E.C.Railway.

Sub:-Re-fixation of Delivery date in purchase orders.

During vigilance checking/investigation, it has been found that a depot officer has re-fixed the delivery period after eleven months of the expiry of terminal delivery date without any justification for the same.

This is an irregular act by the concerned Purchase Officer. Therefore, it is advised to all that any D.P. extension/re-fixation etc. should be done as per the extant guidelines/instructions/provisions available in SOP and in Stores instructions. The modification should be done in time and, if urgency of material still persists, the order may be cancelled with imposition of the penalty as per extant provisions and re-tendering of the case may be done immediately.

This is issued with the approval of competent authority.
