	Stores Instruction No. 98	
No. S/ECR/SMM/Store-Instruction		Dated: 15.04.2019
Sub:	Revision in IBD [Integatted Bld document] for e-tenders of Stores department in ECR	
Ref:	Letter of even No. dated 25.2.2019	
1.0	In view of amendments in the policy of EMD and SD issued by Railway Board (RB) vide its letter No. 2004/RS(G)/779/11 Pt dated 27.03.2019, the existing tender document of ECR has been updated/revised as : ECR-ET-BidDoc-R2.pdf and it has been uploaded on IREPS module: Goods and Services, as Public document.	
2.0	The amount of EMD has to be calculated on the basis ETV (estimate value of tender) as per above referred letter of RB and it has to be indicated in tender schedule. However, as ETV is not visible in public domain (i.e. not disclosed to the bidders), there is no change in conditions of EMD : clause 1.276.1 of IBD.	
3.0	The clause of GD [General Damages : 2.9 (c)] should also be mentioned in tender schedule and contract so as to make its applicability in proper and effective manner.	
4.0	Further the grammar/punctuations and language of certain clauses have been slightly changed to make the IBD more precise & meaningful and also to be in alignment with CM (condition Master) of IREPS/IMMS	
4.0	Other conditions of letter under reference remain unchanged.	
All Stores officers and Purchase staff are requested to study the revised IBD and may give suggestions for further improvements/changes. This new document should be followed in all e-tenders with immediate effect.		
This issue with the approval of PCMM/ECR.
