Stores Instruction No. 58

Sub : Finalization of tenders.

Tenders are invited with a view to finalize the same for prompt availability of materials. However, it has been noted that large number of tender cases are re-tendered on trivial grounds delaying the material availability. All out efforts should be made for the finalization of tender cases, re-tender should be resorted only when it is not possible to decide the tender-case even after all possible efforts and then also re-tender should be done with the approval of officer one grade higher but not below JA Grade in any case.

This issue with the approval of competent authority superseding all earlier instructions issued on the subject by this Railway.
