D.O. No. 2023/E(Trg)/40/1

9th October, 2024

My dear General Manager,

'Mission Karmayogi' - the National Programme for Civil Service Capacity Building (NPCSCB) rolled out on Indian Railways vide Board's letter dated 24.03.2021 with the intent to enhance the capacity of the railway personnel by building their behavioral, domain and functional competencies. An Action Plan was also shared with zonal railways, which stipulates that -

- a) DG/CTIs shall be the Nodal authorities on behalf of IR for creating and publishing contents/courses on iGOT platform for respective Departments.
- b) All the railway units shall create an NPCSCB Cell under the AGM/HAG level officer to carry out onboarding of officials on iGOT platform.

1.1. Subsequently, sets of other instructions were issued from NPCSCB Cell/Training Branch, Railway Board towards 100% onboarding of railway officials, iGOT courses consumption, mandatory 6-hour iGOT learning by each official, development of railway specific courses on iGOT by CTIs and Zonal railways etc. However, despite availability of the enabling instructions, Indian Railways has a long way to go to achieve the set targets.

2. Hon'ble Prime Minister, while reviewing the progress during a Cabinet Meeting gave the specific directions that over the next few months, each employee should take at least 5 courses on iGOT platform.

3. In order to improve performance of railways on iGOT, it is directed that the NPCSCB Cells of each railway unit needs to be strengthened to ensure that initiatives taken under Mission Karmayogi are implemented over railways with full intent to ensure capacity building of railway officials. In this context, following action points require to be implemented with immediate effect:

- a. All Zones, PUs, CTIs, PSUs and other railway units to ensure 100% onboarding of officials by 15.11.2024.
- b. All Zones, PUs, CTIs, PSUs and other railway units to ensure 100% completion of Prarambh module by rozgar mela appointees by 15.11.2024.
- c. All Zones, PUs, CTIs, PSUs and other railway units to ensure 6-hour and 5 courses learning on iGOT by each official. Railway may conduct awareness workshops to encourage their officials by 15.11.2024.

Contd...2/-

- d. Nodal Officer of NPCSCB cells of railway units may identify relevant courses available on iGOT and keep prescribing the same from time-to-time for identified categories of railway personnel.
 - e. All training centres including CTIs of IR shall compulsorily link each of 5-day campus training with 1-hour of iGOT learning.
 - f. All CTIs shall utilize the available resources to prioritise development of railway courses on iGOT on the allotted national priority topics as well as department specific. Targets fixed in this regard to be scrupulously followed.
 - g. All Zones, PUs, CTIs, PSUs and other railway units may identify officials to develop iGOT courses on the topics provided to them.
4. I request you to prioritise above action points for compliance on your railway to ensure remarkable presence of IR on iGOT platform. A status thereof be sent by 20.11.2024, by e-mail to npcscb.rb@gmail.com positively.

With best wishes,

Yours sincerely,

(**Satish Kumar**)
